## Advisors Minute

From the Advisor

I hope everyone is having a great summer. I was at Camp Morrison yesterday and it was a beautiful day and this week is the busiest week for camp this summer. It's the reason for the many 'irksome tasks' that everyone works on during the Spring Ordeal and there are many Scouts who are enjoying the benefits of all you hard work.

There are two things coming up soon, August, that you should consider Fall Ordeal and SOAC. We didn't get everyone to ordeal in the spring when the weather may have been one reason (who knew it would turn out so great) so there are still a number of candidates that need to go through ordeal. If there are some in your unit, encourage them to come up and become a member in the Lodge. We will be sending out reminder letters before ordeal to remind everyone. If your units held an election this summer, it's really important to remind the candidates of the ordeal since the paperwork can experience the 'summer time blues' even though we try hard to get letters to everyone.

I would also encourage everyone to attend SOAC this year as our Lodge is hosting and the committee is planning a great event for everyone. There is an opportunity for white water rafting for an additional, very reasonable, fee on Saturday. It will probably be the last time a SOAC is held locally due to BSA travel requirements so it's an opportunity to experience an event at the Section level. Registration is open and can be accessed through the Section website at: <http://sectionw2n.org/>. You will also find additional information about the event.

Yours in Brotherhood,

## Chief's corner

My brothers,

As summer approaches let us look towards the ordeals. Remember the sash you were represents your oath part of that oath is to continue your service to the lodge. So.....I will see you at ordeal.

Also for those of you that are eligible for brotherhood. Attached is a form for brotherhood, get every thing passed off and that formed filled out and bring it with you ordeal weekend. Our lodge needs you to contribute we are trying to hit a goal of 40% brother hood attainment.
