2011 SCOUT FAIR BOOTHS

We'd like to invite all Scouting units to set up an activity booth for other kids to visit at the Scout Fair!

There are a lot of things to see and do at the Scout Fair, but better yet, there are a lot of ideas, demonstrations and information you could share with others. What was your Pack's favorite theme this year? Do your Scouts have a favorite merit badge? What is the special interest of your Explorer Post? This theme is designed to display all aspects of the Scouting program.

All types of ideas abound to show what the Cub Scout, Boy Scout, Girl Scout, Venturing and Exploring programs are all about, with many resources available in Cub Scout Program themes, Scout Merit Badge books, from Commissioners and other Scouters.

INTERACTION

The most popular exhibits usually are those that involve visitors and allow them to interact and participate!! The more they do - the more they'll learn. Invite the audience to participate in a game, take a quiz, try a skill, or make something! Please, no microphones!

SUBJECT KNOWLEDGE

Involve all the scouts in the unit! Youth members should be conversant with the topic of the exhibit. Scouts should be able to describe activities in their own words and answer questions about their booth.

Yes, our Unit will host an activity booth!
